(Every shooter **MUST** be familiar with these commands)

RANGE CONDUCT

1. If you see anything that is dangerous or appears to be dangerous shout **STOP STOP STOP**.
2. The action of all weapons must be **OPEN AT ALL TIMES** when not actually in use.
3. **NEVER** give or receive a weapon with the action closed.
4. On the range **DO NOT TOUCH** a weapon at all when anyone is in front of the firing point.
5. Weapons on the firing point must **ALWAYS POINT DOWN THE RANGE**.
6. **PRE-LOADING IS NOT PERMITTED**. This includes Magazines, Tubular Magazines, and Cylinders.
7. Black Powder Loads to be **SUFFICIENT** to penetrate the antispash curtain, and to be proven to the Range Officer prior to commencement of shooting by test shoot or historical data.
8. In the event of a malfunction – **LAY THE WEAPON DOWN** and refer to the Range Officer.
9. **NEVER** turn around with the loaded weapon in your hand.
10. **ALWAYS** check for live cartridges or empty cases unseen in the chamber or magazine. In the case of lever action rifles always operate several times to prove that ammunition is not hidden beneath the load ramp. Insert a finger into the breech to make sure that it's empty.
11. **ALWAYS** follow the Range Officer's instructions.
12. **ALWAYS** position yourself in the middle of the firing point and make sure that your target is in line with the middle of the designated target area. Shoot down the white firing line.
13. **ONLY STANDING OR BENCH REST** shooting permitted. **PRONE** shooting is restricted and at the discretion of the Duty R.C.O. Subject to restricted and separate shooting details of a maximum of two prone shooters with sufficient separation (ie Lanes 2 & 4 may only be utilised and only prone shooters on the range).
14. When you have finished shooting **KEEP SILENT AND REMAIN IN POSITION** until everyone else has finished shooting. Do not remove hearing protection until permission given.
15. **IT IS MANDATORY TO WEAR EAR DEFENDERS** at all times when a firearms shooting detail is taking place.
16. Check and check again that the weapon is **EMPTY** before leaving the firing point.
17. Mobile phones must be **SWITCHED TO SILENT** in the range and used only in emergencies. Other items that may hinder safety such as MP3 players etc. must not be used in any circumstances.
